Brahmotsavam Ankuraarpanam - Monday, May 29

Ankuraarpanam

Ankuraarpanam or beejavapanam is one of the most important rituals of the Pancharatra Agama. One can see ankuraarpanam being done in almost all the festivals that are part of the worship of the Lord. Ankuraarpanam essentially means "sowing the seed". The essence of this ritual is to make a sankalpa to celebrate a utsavam (festival) and get the grace of the lord.
