

Dear Devotees,

The Board of Trustees of Sri Venkateswara Swamy Temple of Colorado would like to thank you for your generous donations and continued support of the temple. We are extremely blessed to inform all of you that the Moola Vighras for our Temple are sculpted and ready for shipping from Tirupathi, India. We will be formally taking the delivery of the Moola Vighras in the presence of **His Holiness Tirumala Pedda Jeeyar swami** and the other esteemed TTD officials from Tirupathi. We are making all necessary arrangements for shipping to the United States. We are estimating the vighras will arrive to Denver in the beginning of March.

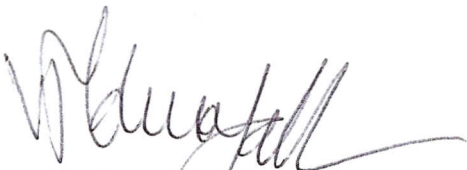

We are also making arrangements for bringing Sthapathis to complete the remaining part of the construction to build the Gopurams for the temple. We are estimating that it would cost us about \$400,000 for completing all the remaining work.

We would like to bring to your kind attention to some of you that you still have balance as part of your pledged amount. This would be an opportune movement for you to pay the balance amount due or increase the pledges so that we can complete the remaining part of the construction work.

**Please note that any amount paid before the 31st of December 2011 for the sponsorship of all poojas will be adjusted towards your pledged amount. After the 1st of January 2012, any amount paid towards the sponsorship of any poojas will NOT be adjusted towards your Pledged amount. Please take advantage of this final opportunity of sponsoring pujas of your choice for next year. All your donations are fully tax deductible.**

We urge you to donate generously to the best of your ability, and gain god's blessings. If any of you would like to donate money in Indian Rupees or any other currency, you are more than welcome to do so. If you have any questions or concerns, please feel free to send an email to [manager@svtempleco.org](mailto:manager@svtempleco.org).

May the blessings of Goddess Padmavathi and Lord Srinivasa be with you always!
