## **Mandala Abhishekam**

Traditionally, Maha Kumbhabhishekam ceremony is followed by special pujas for the benefit of society and mankind as a whole. According to the Agama sastras that guide temple rituals, “**Mandala Abhishekam**” must be performed between 40–48 days after performing Maha Kumbhabhishekam.

**Mandala Abhishekam** enhances the divine presence in all of the Moola Vighrahas. **Mandala Abhishekam** also enhances the spiritual atmosphere of the sanctums due to chanting of Veda mantras many times during the Abhishekam and other rituals giving hundred fold results of doing a similar puja during regular days. It is a rare and unique opportunity that occurs only once in 12 years!
