

## SVTC Membership Information

Dear fellow devotees,

As we enter into the final phase of building the Gopurams and completing the Indianization of SV Temple of Colorado, I am writing to thank each and every one of you from the bottom of my heart for your continued support to this temple.

I met with Douglas county planning officials on May 17, 2012 to submit the revised plans and permits for the Indianization efforts. By god's grace, I am pleased to inform that the Indianization efforts are progressing as planned. Our Sthapathi/Silpis from India are here working diligently to complete this task as soon as possible. We will do everything possible to minimize the inconvenience to the devotees during this phase of construction. We appreciate your understanding and cooperation during this time.

### **Fundraising for Indianization efforts:**

We couldn't have come this far without the generous contributions and support from all of you. We need an additional \$500,000 to complete these Indianization efforts. On behalf of the board, I request you to open your hearts and wallets for this noble cause of completing this project in a record period of time.

As part of this fundraising effort, we are pleased to introduce the concept of ***"Annual Membership"*** program. The cost of the membership is \$1116. This membership entitles the member to receive any religious services that are on the temple calendar at a 50% discounted price. More importantly, the membership fee itself can be used for eligible religious services. Once you pay the membership fee, you can participate in eligible religious services valued up to \$2232 without incurring any additional charges. Board of Trustees believe that this program will be of great use to the members of our community while providing the temple much needed funds for the final phase of the construction. Please contact the Chair of the Finance Committee at [maheshjasty@yahoo.com](mailto:maheshjasty@yahoo.com) for further information.

Once again, on behalf of SV Temple, I want to thank you for your continued support and commitment. We are very close to realizing our dream of completing the Sri Venkateswara Temple of Colorado in the beautiful Rocky mountain area for the generations to come.

May the blessings of Goddess Padmavathi and Lord Venkateswara be with us always!!!

Best Regards,  
VJ Chukkapalli
