Suggested Donation for whole event \$501 or \$151 for one day.

Our agamas and shastras point to how and when the various utsavaas are to be done during the pakshaa, maasaa, varushaa etc. (viz. two halves of the month, month and year). But there is only one utsava that Perumal himself wanted and dictated how it is to be done. This is called the Adhyayana Utsava (the utsava for recital). During this time the entire 4000 Divya Prabhandam by the Azhwars will be recited, which is supposed to sanctify the whole environment and increase the varaprasadha siddhi of Perumal's murthy multifold. Please attend this utsava in large numbers and make this event a grand success.
