

## Pavithrotsavam Celebrations

Thursday, November 13<sup>th</sup> to Sunday November 16<sup>th</sup>

(Please mark your calendars & plan on participating in all the events with family and friends and receive divine blessings.)

Pavithrotsavam is a religious ceremony performed for purification. As per scriptures that guide the rituals performed in the temples, this religious function is performed to maintain a very high level of Divine Power for the deities. This religious program is also a "prayaschitta" event to soften the effects of any omissions or shortcomings that might have occurred unknowingly during the worship and services performed to the deities during the year. The four day religious ceremony consists of Homas, special abhishekams to Lord Venkateshwara Mula Murthi and Utsava Murthies and other purification rites in preparation of the Pavitras, which are sacred threads in the form of garlands that have been specially brought for this occasion. On Saturday November 15<sup>th</sup>, these sanctified "Pavitras" will adorn the deities during the "Pavitra Samarpanam" sacred ceremony thereby creating an atmosphere charged with religious fervor and divine power to the deities. At the conclusion of the religious ceremony on Sunday November 16<sup>th</sup>, sponsors will receive the pavitras that were adorned on deities. Devotees have an excellent opportunity to participate in this religious event and receive divine blessings.
